Affiliated to: The RFU. Dorset & Wilts RFU & Hampshire RFU

Welcome to the rapidly approaching 2010/11 season!

As many of you will know by now Dennis Fry has done his three years shift in the chair and after a tremendously busy period for the club, is having a well earned breather whilst no doubt digging out his boots for the new season! As a result, for an interim period, I have found my way back into the chair!

Following the finalising of the changing rooms and associated works during last season, there has been other work going on over the summer months to ensure that any outstanding matters are concluded. It has also been a period to draw breath, take stock and begin to consider what we need to do next to keep our infrastructure up to the standard required to meet the demands of the modern game,

Promotion to the heady heights of South West League Division One was the ultimate prize last season and will no doubt with it bring considerable challenges in the coming months. After guiding the team to this tremendous achievement last season Richard (Tricky) Martin has stood down as Team Manager although with Russell Tinsdale rising to the challenge in skippering the team once again and with the settled lead coaching team of Dave Oliver and Andy Dobson we keenly anticipate an exciting season ahead. Mark Sturney has stepped up from the colts to take on the manager's role and I am sure you will give him and the above team your whole hearted support throughout the season.

Last seasons "new boy" Iain Bolton, who did a tremendous job pulling the second team together for their most successful campaign for many a year, will again be managing that team in what I suspect will be an even more vital role to ensure there is the right level of players coming through to support the first team. To continue the theme of continuity Dave Richards will once again be carrying out the third team Player/Manager responsibilities, providing his bus pass comes through before the start of the season!

The colts will be anticipating a successful season ahead with last years Dorset and Wilts Under 16 age group champions coming through to boost the numbers and Barry Maidment will once again be leading the coaching team for the group.

Fiona Nisi remains in the chair of our Mini and Youth Section and we will continue to work to integrate the activities of all areas of the club across the club as a whole.

As always, before long we need to remind you at the beginning of a new season we desperately need to collect as much annual subscription monies as early as possible, as unfortunately the club is no different from any other organisations in times of economic constraint. You will find enclosed updated membership forms so please deal with this as soon as possible and Bob Fountain is always available to take subs in or give advice as to means of payment.

Finally all the very best and good luck for the season ahead!

Mike Moysey
