Wimborne RFC - "Buy a Brick"

Fund Raising

As you probably know, in order to complete the downstairs refurbishment, the Club needed to take up an interest free loan from the RFU of £50,000. If we stick with their suggested repayment plan, the loan will not be repaid for nearly 15 years, representing a constant drain on the club's working capital resources.

My proposal is therefore that we rid ourselves of this debt as soon as possible – in the form of member donation ie buy-a-brick. There are exactly one thousand bricks and each one will cost £50. You will have seen the board that is now up in the entrance hall at the head of the back stairs (see club website home page for picture) You can have as many bricks as you like subject to availability. The 'brick' will bear the donor's name and will be exhibited in perpetuity as a grateful acknowledgement of your support and generosity. **Be one in a thousand!!**

If you would indeed like to support this appeal then please complete your name and address detail on the slip below and return it to

If you haven't already done so please also complete and return a **Gift Aid Form (**downloadable from 'forms' at the bottom of this webpage**)** to enable the club to claim back tax at the basic rate on all current and future donations.

I know I can count on your support.
